

Natural Balance Energy Balls

Tips & Advice:

Ingredients

Wheat, Beef Tallow, Calcium Carbonate, Wheat Flour, Kibbled Maize, Sunflower Seeds (4%), Red Dari, Ground Mixed Seeds

How To Use

To use in bird feeders, simply place the balls into an energy ball feeder. Place feeders in a safe place to retreat.

Feeding Tips

With food resources scarce now, it is essential to feed garden birds all year round. Put out food at the start of the day to ensure that birds can replace the energy they have lost overnight. Locate feeders near cover, so that the birds have a safe place to retreat to that is away from predators. Always provide fresh, clean water.

Storage & Hygiene

Always ensure wild birds have plenty of fresh, clean water for drinking and bathing. Clean feeding and drinking areas regularly with a mild disinfectant. Keep food fresh and dry, removing any wet food to prevent the spread of bacteria and diseases. Not suitable for human consumption. May contain nuts. Keep packaging away from children to avoid suffocation. Store in a cool dry place away from pets or pests. Best used within 3 months of opening.
